# Northern Walleye Lodge and Camp Missanabie Outfitters

Nice sandy beach  
Family packages available

Our rustic log cabins are spaced about 200 – 500ft apart along the shoreline. The lodge has 2850ft of frontage on Dog Lake, that's over a 1/2 mile. The cabins are equipped with 3pc bathrooms, pots & pans, utensils and screened in porches. Please bring your own bath towels. All cabins overlook the breathtaking lake

Dog Lake is a remote 13000-acre lake approx. 54 miles of Bays and waterways.

Free parking at main land

Free docking and boat launch to our customers

Take a 5 mile boat ride on our 25ft pontoon boat to the main lodge. Or you can ATV in on a 4 mile trail.

Fish species in the Dog Lake:

Walleye, Lake Trout, Northern Pike, Small Mouth Bass & Perch, also in area lakes and streams there are Brook Trout

We encourage catch and release. Our little guys get to be big guys with your help.
